

# Neighborhood Meeting List Request

ADA COUNTY DEVELOPMENT SERVICES, 200 W. Front Street, Boise, Idaho 83702

www.adaweb.net | (208) 287-7900

## GENERAL INFORMATION:

If you are applying for one of the uses listed below, you must conduct a Neighborhood Meeting. This meeting allows neighbors to learn more about your project before the public hearing (Ada County will notify surrounding property owners of the hearing). All involved Neighborhood Associations and property owners within \*300 feet of the subject property boundary need to be invited to your meeting.

According to Ada County Code, the meeting must be held either on a weekend between 10 a.m. and 7 p.m., or a weekday between 6 p.m. and 8 p.m. Meetings cannot be conducted on holidays, holiday weekends, or the day before or after a holiday or holiday weekend. The meeting must be held at one of the following locations:

- The Subject Property;
- The nearest available public meeting place (Examples include fire stations, libraries and community centers);
- An office space within a 1-mile radius of the subject property.

The meeting cannot take place more than 6 months prior to acceptance of the application and the application will not be accepted before the neighborhood meeting is conducted. You are required to send written notification of your meeting, allowing a reasonable amount of time before your meeting for property owners to plan to attend. **Please fill out the supplied certification form and include it with your application so we have written record of your meeting.** Contacting and/or meeting individually with residents will not fulfill Neighborhood Meeting requirements.

\*Please see the Ada County Code for a list of uses requiring notification to property owners within 1,000 feet.
