Re: Inquiry Concerning Electrical Service At:

700 acres at Black Cliff (Hammer Flats)

Dear Sirs:

You have inquired as to whether the property located at Black Cliffs (Hammer Flats) Boise, Idaho is within the certificated service territory of Idaho Power Company in the State of Idaho. This letter is to advise you that the property described above is currently located within the certificated service territory of Idaho Power Company (the Company) in the State of Idaho.

The Company will provide electrical service to the above location subject to the obtaining of any required easements, rights of way, and in compliance with the statutes of the State of Idaho and the tariffs of the Company on file with the Idaho Public Utilities Commission, in particular, the General Rules and Regulations, covering new service attachments and distribution line installations or alterations. The tariff is subject to change from time to time upon approval by the Idaho Public Utilities Commission.

Sincerely,

Patricia Carlson-Grimmett
Senior Facilities Representative, East Boise Idaho City Team
