Dear Janet Crockett and David H. Spencer:

Thank you for your recent e-mail regarding the development proposal for Hammer Flat. Like you, I have serious concerns about this proposal, and I have made these points known to the Ada County Commissioners through the attached letter. In addition, I have instructed City of Boise staff to explore options we might have as a city to ensure that this project does not go forward.

I appreciate your willingness to be heard on this important issue facing our community. I hope all of us will hear some good news regarding the situation very soon.

Sincerely,

David H. Bieter
Mayor
